Description

Our clutch is made with expert style and attention to detail, to ensure this one-of-a-kind handmade handbag. Peggy Sue is perfect for the woman who wants something practical and functional yet pretty, fashionable and chic. With a stylish, curved designed flap. She's classy and exquisite, yet big enough for your cell phone, id & credit cards, that favorite gloss, coin purse, keys and hanky! The perfect clutch!! On the inside, this classy gal is lined with vivid and funky textile to create an enchanting contrast of colors. It closes with a magnetic fastener for keeping all your essentials safe in one place with style!

Details

Care Instructions

Professional clean when needed. You can use a damp cloth and mild soap should work to remove most dirt and stains simply by wiping. Once the dirt has been lifted, be sure to wipe down the entire bag quickly in order to avoid getting water spots on fabric.
